

# *Enchanting France - Embellishing Fabric*

Travel Adventure with Rae Cumbie of Fit for Art Patterns  
July 5 – 12, 2019

Join Rae Cumbie and Fit for Art Patterns in Durfort, an enchanting medieval artisan village in the Languedoc region of France, to explore the countryside and a variety of fabric embellishing and surface design techniques.

The mornings will be spent in the cozy artist studio of our 17th century home. We will paint, stitch, collage, and piece a variety of small fabric samples to spark our creative juices and create memories of our time at La Cascade. Stitchers of all skill levels and interests are welcome.

Afternoons will be spent exploring the surrounding countryside including the flower fields, regional markets, tree lined thoroughfares, small villages and cathedral towns. We will find inspiration in the ironwork details, copper works, blue pastel fabrics and notions, bountiful outdoor markets, museum exhibits, and fabric and trim stores in neighboring Revel. As we move through the week's creative experiences and beautiful adventures, your work in the studio will come to life. You will be encouraged to move your samples forward, combining the techniques into an inspired sample book, functional tote, wall hanging, or embellished garment.

Meals will be provided by La Cascade's chef Nese using locally sourced seasonal foods and wines served on the terrace that overlooks a rushing mountain stream. Included accommodations are double occupancy with shared baths. We'll travel via shared rental cars from the Toulouse airport to La Cascade and environs.

The \$2300. cost include most materials, room, board and priceless experiences. Not included is your airfare to and from Toulouse, Travel insurance (required), shared rental car costs, and an occasional meal, personal purchase or museum entrance. A \$500 non-refundable deposit is due by February 15 with the balance due by May 30. Class size will be limited to 8 so reserve early.
